Case No. _____

**APPLICATION TO CANCEL
PAYPHONE CERTIFICATE OF SERVICE AUTHORITY**

COMES NOW Flying J Inc. ("Flying J"), through its undersigned counsel, and pursuant to 4 CSR 240-2.060 and §392.410(5), RSMo 2000, respectfully requests the Missouri Public Service Commission ("Commission") to cancel its Payphone Certificate of Service Authority. In support of its Application, states as follows:

1. Flying J is a Utah corporation with principal offices located at 4185 Harrison Boulevard, Suite 301, Ogden, Utah 84403. The Commission issued Flying J a Certificate of Service Authority to provide payphone telecommunications services within the state of Missouri in Case No. TA-98-569.

2. Flying J's certificate of authority to do business from the Missouri secretary of state was provided in Case No. TA-98-569. Pursuant to 4 CSR 240-2.060(G), Flying J requests that the certificate and registration be incorporated by reference herein.

3. Flying J does not currently have any customers in the state of Missouri and, as its business plans have changed, Flying J no longer intends to provide telecommunications service in Missouri. Accordingly, Flying J customer notification is not necessary and there is no customer impact associated with approval of this petition.

4. Flying J does not have any pending actions or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or

rates, which action, judgment or decision has occurred within three (3) years of the date of the application. Flying J does not, to the best of its knowledge, have any overdue annual reports or assessment fees.

Public Interest

6. Cancellation of Flying J's Certificate of Service Authority is not detrimental to the public interest. The public will not be harmed by Flying J's withdrawal because, as stated above, Flying J does not provide any telecommunications services to customers in Missouri, and thus, no customers will be affected. Furthermore, there are many other alternative telecommunications providers from whom Missouri residents can purchase payphone telecommunications services.

Conclusion

WHEREFORE, Flying J Inc. respectfully requests the Commission to issue an order canceling its certificate of service authority and tariffs and granting such other relief as is reasonable in the circumstances.

Respectfully submitted,
