1 **Low Income Programs**

2 Q. In your rebuttal testimony you stated that you recommend full recovery of the
3 cost associated with ERPP as requested, did you not?

4 A. Yes.

5 Q. How do you wish to clarify your answer regarding full recovery of the cost
6 associated with ERPP?

7 A. I was, and still am, recommending full recovery of the ERPP cost; however, I
8 was not, and am not, recommending how that cost is to be recovered. Given that I'm not an
9 accountant and that I'm unfamiliar with the accounting treatment for full recovery the
10 Company proposed, I defer to the recommendation of Staff witness Bret Prenger, an
11 accountant, for how GMO should recover the cost of the ERPP from its Missouri customers.

12 Q. Does this conclude your rebuttal testimony?

13 A. Yes.
