On November 6, 2007, the Commission issued its order granting Missouri Gas Utility, Inc., a certificate of convenience and necessity to construct, install, own, operate, control, manage, and maintain a natural gas distribution system in an area in Harrison County, Missouri. On November 7, 2007, MGU filed revised tariff sheets, designated as Tariff File No. YG-2008-0306, describing the new service area. The tariff sheets bear an effective date of December 7, 2007.

Also on November 7, MGU filed a motion for expedited treatment. MGU states that the primary purpose of the requested certificate is to serve a particular customer that requested service, and it is anticipated that the construction necessary to provide the service will be completed by November 26, 2007. MGU therefore requests expedited consideration and Commission approval of the tariff sheets to go into effect on November 26, 2007.

The Commission has considered the motion and will set an expedited filing date for the Staff of the Commission to file its recommendation regarding MGU's tariff. In the

alternative, Staff shall advise the Commission of the earliest date it will be able to file its recommendation.

IT IS ORDERED THAT:

1. No later than November 15, 2007, the Staff of the Commission shall file either its recommendation concerning Missouri Gas Utility, Inc.'s tariff revision, Tariff File No. YG-2008-0306, or a pleading advising the Commission of the earliest possible date on which it will be able to file its recommendation.
2. This order shall become effective on November 8, 2007.
