Ameren Transmission Company of Illinois's
Response to Neighbors United Data Request

In the Matter of the Application of Ameren Transmission Company of Illinois for Other Relief or, in the Alternative, a Certificate of Public Convenience and Necessity Authorizing it to Construct, Install, Own, Operate, Maintain and Otherwise Control and Manage a 345,000-volt Electric Transmission Line from Palmyra, Missouri, to the Iowa Border and an Associated Substation Near Kirksville, Missouri.
Data Request

Data Request No.: NU-2-16 - Jennifer Hernandez

Please provide a copy of the google type map for each property that is subject to the proposed line that ATXI representatives could show property owners at each of the local public hearings. On each of the maps please ensure the detail includes the red and white lines indicating where the proposed line will cross along with the easement sought, the green line that indicates any other electric lines on the property, as well as the parcel number for the property that appears on the screen when the images were viewed at the local public hearings.

RESPONSE

Prepared By: James Jontry
Title: Senior Project Manager
Date: November 30, 2015

The requested maps are being provided, but due to the size of the files, they will be provided on a CD.
