Missouri Public Service Commission

Natural Gas Distribution Pipelines
Communities having or approved for natural gas
Denotes change of ownership
Natural Gas Transmission Company Pipelines; MGC and MPC are under PSC Jurisdiction.
Denotes municipally-owned power plant (e.g. Marshall, Mo.)

Natural gas is distributed to the City of St. Louis and all areas of St. Louis County by
Laclede Gas Company.

The MOPAC has positive safety jurisdiction over municipalities and investor-owned companies. Below are the municipal entities that operate under MOPAC jurisdiction.

Note: Some municipalities are in a joint utility agreement with other municipal operators.
