SECTION 202. RESERVATIONS. The grant of use and occupancy hereunder is subject to the following reservations and conditions:

- A. The City reserves for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the Premises, together with the right to cause or allow in said airspace such noise, vibration, fumes, dust, fuel particles, illuminations, interference with television, radio or any other type of transmission and other effects as may be caused in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace or landing at, taking off from, or operating on or about the Airport.

City, its assigns and successors may enter upon the Premises for the purposes of installing, replacing, maintaining, removing, and operating any and all utilities and drainage facilities provided that such actions will not substantially or materially interfere with Lessee's use of the Premises, and provided further that such reservation or grant of rights does not directly result in any material added expense to Lessee. Provided further, City reserves unto itself, its successors and assigns, all gas, oil, and mineral rights in the Premises. Lessee shall comply with all Rules and Regulations which the Director may establish from time to time.

SECTION 203. ACCESS. Subject to and in accordance with the Provisions of this Agreement hereof, Lessee has the right of free access, ingress to, and egress from the Premises for Lessee's employees, contractors, subcontractors, agents, guests, patrons, and invitees.

Premises shall not be adjusted to exclude any of the installed Solar Facilities.

SECTION 205. ACCESS TO THE PREMISES BY THE CITY. The City reserves and will have the right to access, ingress to, and egress from the Premises without charge therefore for its employees, contractors, agents, licensees, representatives, and invitees, its or their suppliers of materials and furnishers of service, and its or their equipment, vehicles, machinery and other property (collectively the "**City Parties**"), as may be reasonable under the circumstances, and with as little interruption of Lessee as may be reasonably practical, and upon compliance with

Lessee's reasonable security procedures; provided, however, that no right of the City provided for in this Article II will be so exercised as to unreasonably interfere with Lessee's use and enjoyment of the Premises as provided in Section 1206 of this Agreement. The City shall be solely responsible for the acts and omissions of any and all City Parties in its or their use of the Premises, and agrees to provide or cause to be provided insurance coverage satisfactory to and for the benefit of Lessee, which shall be substantially similar to the requirements set forth in Section 801.

SECTION 206. ENCUMBRANCES ON THE PREMISES. Lessee accepts the Premises subject to any and all then existing easements or other encumbrances and the City retains the right to install, lay, construct, maintain, repair and operate such utilities, sanitary sewers, drains, storm water sewers, pipelines, manholes, communication lines, connections, water, oil or gas pipelines, and telephone and telegraph power lines and such other appliances and appurtenances necessary or convenient in connection therewith, over, in, upon, through, across and along the Premises, or any part thereof, and to enter thereupon at reasonable times for any and all such purposes; provided, however, that no right of the City provided for in this Section 206 will be so exercised as to materially or substantially diminish the utility or value of the Premises, materially interfere unreasonably with the Lessee's use or enjoyment of the Premises, or result in any material added expense to the Lessee in conducting its operations hereunder. The City shall be solely responsible for the acts and omissions of any and all City Parties in its or their use of the Premises, and agrees to provide or cause to be provided insurance coverage satisfactory to and for the benefit of Lessee, which shall be substantially similar to the requirements set forth in Section 801.

### ARTICLE III TERM

SECTION 301. TERM. The term ("**Term**") of this Lease Agreement commences on the Commencement Date which will be written in below by the City and will end at 11:59 p.m. (local prevailing time) on the Twenty-Eight (28) year anniversary of the Commencement Date, unless sooner terminated pursuant to the provisions hereof.

**Commencement Date:** \_\_\_\_\_

Lessee may terminate this Agreement at any time upon ninety (90) days' notice, and such cancellation will be deemed a no fault cancellation.

SECTION 302. HOLDING OVER. If Lessee holds over after the expiration or early termination of this Agreement, the resulting tenancy will be for an indefinite period of time on a month-to-month basis, during which tenancy the parties to this Agreement shall continue to adhere to all covenants, conditions, and provisions of this Agreement. Notwithstanding the foregoing, Lessee shall pay the prevailing Rent then in effect during any hold-over period. Acceptance by the City of payment of Rents or other fees or charges after expiration or early termination of this Agreement will be deemed to be payment on account, and will not operate to waive or modify any provision of this Section.

ARTICLE IV  
FEES & RENTALS

SECTION 401. RENTAL PAYMENT. Beginning on the Commencement Date, Lessee shall pay in advance to the City the annual rental rate of Three Thousand Dollars (\$3,000.00) payable in twelve (12) equal monthly installments (“**Initial Rent**” or “**Rents**”). All Rents must be paid on or before the first (1<sup>st</sup>) day of each month during the Term of this Agreement, *without demand*.

SECTION 402. RENT ESCALATION. The Initial Rent will increase (but not decrease) on the fifth (5<sup>th</sup>) anniversary of the Commencement Date, and on each fifth (5<sup>th</sup>) anniversary thereafter during the Term, in accordance with the provisions of Section 403 below.

SECTION 403. INDEX RENT ESCALATION. If the Index in the Anniversary Month exceeds the Base Index, then the Initial Rent then in effect shall be increased by the Percentage Increase to calculate the Adjusted Rent.

Within ninety (90) days following the Anniversary Month, the City shall send Lessee an “Index Comparative Statement” setting forth the following:

1. The Index on the Anniversary Month;
2. The Base Index;
3. The Percentage Increase; and
4. The resulting Adjusted Rent.

Thereafter, within the later of (a) fifteen (15) days after receipt of the Index Comparative Statement by Lessee or (b) the first (1<sup>st</sup>) day of the calendar month following the month in which the Index Comparative Statement was sent (the “**Current Month**”), Lessee shall pay to the City a sum equal to 1/12 of said increase in rent multiplied by the number of calendar months then elapsed since the Anniversary Month, and thereafter, commencing with the Current Month and continuing monthly during the Term and the monthly installments of rent shall be equal to 1/12 of the Adjusted Rent.

An example of the rent escalation outlined in this Section 403, wherein the Initial Rent at the end of the Initial Term is \$100,000, the Base Index on the beginning of the ninth (9<sup>th</sup>) Contract Year is ten (10), and the Index on the Anniversary Month is eleven (11).

The Percentage Increase shall be  $(11-10) / 10 = 1/10 = 10\%$

The Initial Rent shall increase by ten percent (10%) so that the Adjusted Rent shall be One Hundred and Five Thousand, Six Hundred Dollars (\$105,600.00).

SECTION 404. UNPAID RENTS AND FEES. All unpaid Rents and undisputed fee payments due City hereunder bear a service charge of one and one half percent (1½%) per month if same is not paid and received by City on or before the thirtieth (30<sup>th</sup>) day of the month in which said payments are due, and Lessee agrees that it shall pay and discharge all costs and expenses,

including attorneys' fees and litigation costs incurred or expended by City, in collection of said delinquent amounts due, including service charges.

SECTION 405. PROMPT PAYMENT OF TAXES AND FEES. Lessee warrants, covenants and agrees to pay promptly all lawful general taxes, special assessments, excises, license fees, permit fees, and utility service charges of whatever nature, applicable to its operation at the Airport, and to take out and keep current all licenses, municipal, state, or federal, required for the conduct of its use of the Premises, and further warrants, covenants and agrees not to permit any of said taxes, assessments, fees, and charges to become delinquent.

SECTION 406. FORM OF PAYMENT. Payments to the City required by this Agreement must be made at the Airport Administrative Offices, with checks payable to the "Treasurer, City of St. Louis," delivered to City Airport Assistant Director of Finance, Lambert-St. Louis International Airport, P.O. Box 10036, St. Louis, MO, 63145, or at such other place or by whatever payment method that the City may determine and as the City may hereafter notify Lessee, and must be made in legal tender of the United States of America.

#### ARTICLE V USE OF PREMISES

SECTION 501. USE. The City hereby grants to Lessee, subject to all the payments, terms, covenants, and conditions of this Agreement, permission to occupy and use the Premises for Solar Facilities installed and operated by Lessee. Lessee acknowledges, understands and agrees that the language in this Section 501 in no way authorizes or permits Lessee to use the Premises for the purpose of storing Hazardous Materials or any other use, unless authorized in writing by the Director.

The use of areas not specifically included in Exhibit "A" entitled "Premises" must be approved in advance and in writing by the Director (see Section 1209 entitled "Required Approvals").

All deliveries to the Premises for the Lessee are the responsibility of Lessee and not the City.

SECTION 502. REPAIRS AND MAINTENANCE. The Lessee, at its sole cost and expense, shall perform the following functions as part of its responsibilities in the cleaning, repair, and maintenance of the Premises. Lessee acknowledges, stipulates and agrees that the City shall have no responsibility or obligation to repair, maintain, or secure the Premises during the term of this Agreement (see Section 505 below). The following list includes certain functions, but Lessee's responsibilities are not limited to those functions:

- A. Maintain and keep in good repair and appearance all portions of the Premises, including all Improvements, equipment, fixtures, Removable Fixtures, utility systems, if applicable, and any other structures erected or installed within the Premises.
- B. Keep the Premises clear of debris.

- C. Keep the Premises free from all fire and other unreasonable hazards to persons and property, other than those that are associated with the Improvements authorized herein.
- D. Repair, or cause to be repaired, all damage to the Premises when such damage results from the acts or omissions of Lessee or its agents, employees, invitees, guests, or representatives.
- E. Confine all handling and holding of Lessee's property or property under Lessee's control to the Premises.
- F. Take such measures as may be necessary to keep the Premises secure; the City has no obligation or responsibility to keep Lessee's Premises secure.

The Director may temporarily or permanently close any roadway or other right-of-way for access to the Premises, so long as another means of access is provided.

**SECTION 503. CITY RIGHT TO ENTER, INSPECT AND REQUIRE CORRECTIVE ACTION.**

- A. The City has the right at reasonable times to enter upon Premises for any of the purposes listed below:

  - 3. for fire protection, safety, or security purposes;
  - 4. to make emergency repair; and
  - 5. to perform maintenance activities on airport property adjacent to the Premises.
- B. The City shall provide reasonable notification and such right of entry must not unreasonably interfere with Lessee's use or occupancy of its Premises, except if there is an emergency or the situation endangers the health or safety of persons or the safety of operations on the Premises. The right of inspection reserved to the City imposes no obligation on the City to make inspections to ascertain the condition of the Premises and imparts no liability upon the City for failure to make such inspections. The failure of the City to inspect or monitor or notify Lessee of a default or of a hazardous or unsafe condition with respect to Lessee's operations hereunder does not release Lessee from its liability to perform its obligations hereunder or impose any liability on the City, and in any other event where the City determines that it is necessary or desirable to do so to

preserve the Airport or the City's property or any portion thereof, or to correct any conditions likely to cause injury or damage to persons or property.

- C. Unless otherwise provided herein, Lessee shall perform all corrective work required of it that is identified in such inspection(s) within thirty (30) days of receipt of a notification from the City. If correction cannot reasonably be completed within such thirty (30) day period, this period may be extended at the sole discretion of the City. Matters affecting public health, safety, and welfare, including trash and debris problems, must be corrected promptly after the City notifies the Lessee's manager or the manager's designee either orally or in writing via hand-delivery. All emergency repair costs or corrective work incurred by the City for which the Lessee is responsible under the terms of this Agreement must be paid or reimbursed by Lessee within thirty (30) days of the City's written request.

SECTION 504. FAILURE TO MAINTAIN BY LESSEE. If City determines that Lessee has failed to properly clean, remove trash and refuse, maintain, or repair the Premises as required in Section 502, the City shall provide to Lessee a list of deficiencies, reflecting the amount of time to be reasonably allowed for Lessee to correct same.

SECTION 505. CITY OBLIGATIONS. Except as specifically provided for herein, the City shall not be under any duty or obligation to Lessee to repair, maintain, or clean the Premises or any portion thereof, or any facilities or equipment constructed thereon.

SECTION 506. UTILITIES. Lessee shall provide and pay for all utilities required by Lessee.

SECTION 507. INTERFERENCE TO AIR NAVIGATION. Lessee warrants, represents and agrees that no obstruction to air navigation, as such is defined from time to time by application of the criteria of Federal Aviation Regulations ("FAR") Part 77 or subsequent and additional regulations of the Federal Aviation Administration ("FAA"), will be constructed or permitted to remain on the Premises. Lessee warrants, represents and agrees that, upon notification by the City, it will immediately remove any obstruction(s) at its expense. Lessee warrants, represents and agrees not to increase the height of any structure or objects or permit the growth of plantings of any kind or nature whatsoever that may interfere with the line of sight of the control tower and its operations. Lessee further warrants, represents and agrees not to install any structures, objects, machinery or equipment that would interfere with the operation of navigation aids or that would interfere with the safe and efficient operations of the Airport.

SECTION 508. OBSERVANCE AND COMPLIANCE WITH LAWS.

- A. Lessee, its officers, directors, employees, agents, and its contractors and suppliers, while such contractors and suppliers are providing services to Lessee, shall comply with all applicable federal, state, and local laws and ordinances, including directives of the FAA applicable to the Lessee's operation at the Premises, and Lessee shall make reasonable efforts to cause its guests and invitees to comply as well.

- B. Notwithstanding anything to the contrary, references in this Agreement to a statute or law are deemed to be a reference to (i) such statute or law as it may be amended from time to time, (ii) all ordinances, regulations, rules, executive orders, policies, and instructions pertaining and lawfully promulgated pursuant to such statute or law as they now exist or may be amended from time to time.

ARTICLE VI  
IMPROVEMENTS AND ALTERATIONS

SECTION 601. MECHANICS' AND MATERIALMEN'S LIENS. Lessee agrees not to permit any mechanics' or materialmen's or any other lien or encumbrance to be attached or foreclosed upon the Premises or any part or parcel thereof, or the improvements thereon, by reason of any work or labor performed or materials furnished by any mechanic or materialman or for any other reason.

SECTION 602. SIGNS. Lessee agrees that no signs, banners, or advertising displays will be placed on, painted on, or erected in any manner upon the areas of the Premises exposed to the public without prior written approval of the Director and that such signs shall conform to reasonable standards established by said Director with respect to wording, type, size, design, color, and location.

SECTION 603. TITLE TO IMPROVEMENTS. Title to the Premises and Improvements constructed or placed in or on the Premises by the Lessee, excluding Lessee's Solar Facilities, become part of the Premises with title vesting to the City upon the expiration or earlier termination of this Agreement, except that the City reserves the right and Lessee agrees that the Director may require Lessee to remove any or all Improvements and structures (including but not limited to the Solar Facilities) and restore the Premises to its original condition that existed when Lessee first used the Premises under this Agreement or any preceding permit or lease. Lessee agrees to bear all costs of any such removals and restorations.

SECTION 604. INSTALLATION OF IMPROVEMENTS INCLUDING SOLAR FACILITIES. No later than sixty (60) days following Lessee's completion of the installation of any Improvements within the Premises, including but not limited to Solar Facilities, Lessee shall submit a complete listing and description of such Improvements installed or constructed, including but not necessarily limited to specifications, sizes, and descriptions of materials utilized in construction and installation. Throughout the Term of this Agreement, Lessee shall timely provide an updated listing and description as equipment changes are made or other modifications or Improvements are installed or constructed. Lessee, during the Term of this Agreement, is responsible for timely filing for a Request for an Obstruction Evaluation / Airport Airspace Analysis ("OE/AAA") with the FAA and complying with the requirements stipulated in FAA's determination, for both construction activities and the completed Improvement. Lessee shall timely obtain all permits, licenses, or approvals that may be required in order to install or construct any Improvements within the Premises or operate the Solar Facilities and will timely provide a copy of such permits, licenses, or approvals if requested in writing by the City.

ARTICLE VII  
COMPLIANCE WITH ENVIRONMENTAL LAWS

SECTION 701. COMPLIANCE WITH ENVIRONMENTAL LAWS. Lessee warrants and covenants that in conducting any activities or business on the Premises, Lessee shall comply with any and all applicable Environmental Laws including any plans, monitoring, record-keeping, or programs prepared in conformance with Environmental Laws. Lessee further covenants and warrants as follows:

A. Environmental Permits.

1. Lessee shall obtain and maintain any and all Environmental Permits required by applicable Environmental Laws to conduct the activities in which Lessee engages on the Premises.

Lessee shall comply with any requirements imposed by an Environmental Permit obtained by the City that is or are applicable to Lessee or Lessee's activities on the Premises, including any plans, monitoring, record-keeping, or programs prepared in conformance with such Environmental Permits or Environmental Laws; provided, however, that the City shall adequately notify Lessee of such Environmental Permit and associated requirements, including all applicable deadlines for compliances.
3. The City and Lessee shall cooperate to ensure compliance with the terms and conditions of any Environmental Permit, Environmental Law, and any associated requirements to ensure safety and to minimize cost of compliance.

B. Duty to Notify City. In the event of any release or threatened release of Hazardous Materials caused, handled, or owned by Lessee, its employees, agents, or contractors, and which is required by applicable Environmental Laws, Environmental Permits, Rules and Regulations, or any plan or program prepared in response to Environmental Laws, or Environmental Permits, to be reported by Lessee, whether as a result of negligent conduct or otherwise, at, on, about, or under the Premises, or in the event any written claim, demand, complaint, or action is taken against Lessee that pertains to Lessee's failure or alleged failure to comply with Environmental Laws or Environmental Permits at the Premises, or which pertains to the release of Hazardous Materials by Lessee at the Premises, Lessee shall notify the City as soon as reasonably practical of all known facts pertinent to such release, threatened release, claim, demand, complaint, action, or notice, and shall provide the City with copies of any and all such claims, demands, complaints, notices, or actions so made. If Lessee is required by any Environmental Laws, Environmental Permits, or governmental agency to file any written notice or report of a release or threatened release of Hazardous Materials on or under the Premises, Lessee shall simultaneously provide a copy of such notice or report to the City.

C. Environmental Remediation. Lessee shall promptly and timely and with all due diligence undertake all necessary steps to remedy and remove at its cost any Hazardous Material, or environmental condition or damage to the extent caused by, or resulting from, the activities, conduct, or presence of Lessee of its agents, employees, or contractors at the Premises, whether resulting from negligent conduct or otherwise ("**Remediation**

Work”). Such Remediation Work must be consistent with remediation standards established by or derived from the appropriated government agency responsible for enforcing Environmental Laws or Environmental Permits. Such Remediation Work will be performed at Lessee’s expense. Except in the event of an emergency, Lessee shall not perform such Remediation Work until Lessee, taking into consideration the circumstances, timely and promptly submits to the City a written plan for completing such Remediation Work and receives the prior approval of the City through Notice; provided, however, that the City shall not unreasonably withhold or delay its approval. The City expressly reserves the right to review and approve any proposed final remedial investigations, remedial work plans, interim and final remedies, institutional controls, including environmental covenants, corrective measure studies, soil management plans, or other associated documents prior to submittal to the relevant governmental agencies responsible for enforcing Environmental Laws or Environmental Permits, and prior to recording any instrument on the land title. Specific cleanup levels for any Remediation Work by Lessee will be designed to meet and satisfy the requirements of all applicable Environmental Laws and Environmental Permits, as determined by the governmental agency responsible for enforcing Environmental Laws and Environmental Permits or for establishing cleanup levels, and must also be approved by the City. Lessee agrees that neither Remediation Work or any on-going remediation, including any testing or monitoring, nor the use of institutional controls, will either unreasonably or materially impair or interfere with the City’s current or future use and enjoyment of the Premises. The City has the right to conduct a reasonable review and inspect all such Remediation Work at any time using consultants and representatives of its choice.

- D. Access for Environmental Inspection. Upon reasonable notification to Lessee, the City is entitled to reasonable access to the Premises to inspect the same in order to confirm that Lessee is using the Premises in accordance with the requirements of this Agreement including, without limitation, this Section 701. Lessee shall cooperate fully with any such inspections provided that such inspections do not unreasonably interfere with Lessee’s operations. If the City’s inspection results in any type of written report, the City shall provide Lessee a reasonable opportunity to timely review and comment on a draft of the report. Lessee shall provide to the City for its review and comment copies of: any and all notices of alleged non-compliance issued by governmental agencies responsible for enforcing Environmental Laws or Environmental Permits; non-privileged draft official submittals (proposed final drafts) prepared by, or on behalf of, Lessee responding to such alleged non-compliance; and any and all consent orders or administrative determinations, whether preliminary or final, issued by such governmental agencies. The City agrees to maintain the confidentiality of the documents produced in accordance with the Subsection to the extent consistent with the City’s legal obligations.
- E. Corrective Action by City. If Lessee fails to comply with any applicable Environmental Laws, Environmental Permits, or Rules and Regulations governing its activities on the Premises, or if Lessee fails to conduct necessary Remediation Work in a timely manner as required under the terms of this Agreement, the City, as may be necessary or required by applicable Environmental Laws, Environmental Permits or Rules and Regulations, in addition to the rights and remedies described elsewhere herein and any other rights and

remedies otherwise available to the City, may enter the Premises and take all reasonable and necessary actions to conduct Remediation Work to remove Hazardous Materials or other contaminants for which the Lessee is responsible under this Agreement and remedy Lessee's non-compliance with the provisions of this Agreement and applicable Environmental Laws, Environmental Permits, or Rules and Regulations. All Remediation Costs, plus actual administrative costs incurred by the City, must be timely paid or reimbursed by Lessee within thirty (30) days of the City's written notice. Subsequent to receipt of the City's Notice to perform the Remediation Work, the Lessee must not undertake performance of such Remediation Work without the specific prior authorization from the City. Remediation Work, if necessary, and any other action taken by the City pursuant to this Section, must be performed in accordance with the provisions of Section 701(C), but only after first having provided notice to Lessee of such failure to comply, and thirty (30) days within which Lessee may demonstrate why no such alleged failure is present, or to timely remedy such alleged failure that may be present. If Lessee's compliance reasonably requires more than thirty (30) days to complete, the City may enter the Premises and take such reasonable and necessary measures to achieve compliance only upon the Lessee's failing to timely begin curing such non-compliance within such thirty (30) day period and to continue diligently working to achieve compliance thereafter.

- F. Review of Environmental Documents. At the reasonable request of the City, Lessee shall make available for inspection and copying, at reasonable times, any and all non-privileged documents and materials Lessee has prepared pursuant to any applicable Environmental Laws or Environmental Permits, or submitted to any governmental agency, which relate to environmental issues, Environmental Laws or Environmental Permits and which pertain to the Premises, and which would be discoverable in litigation.
- G. Cumulative Remedies. All remedies of the City as provided herein with regard to environmental pollution, contamination, damage, or any actual or threatened violations of any Environmental Laws or Environmental Permits, are deemed to be cumulative in nature. The City's right to indemnification as provided for under this Article VII survives the expiration or early termination of this Agreement.
- H. Pollution Control. In addition to all other requirements of this Agreement, Lessee, at its cost, shall manage all its operations at the Premises in compliance with all applicable Environmental Laws, Environmental Permits, and with applicable best management practices outlined and delineated in the Airport's Storm Water Pollution Prevention Plan and Storm Water Management Plan, which will be provided to Lessee at Lessee's written request.
- I. Environmental Covenants. Lessee will not object to and, if requested by the City, will subordinate, at no cost to the City, any rights it has under this Agreement to an environmental covenant or environmental land use restriction which (i) restricts the use of groundwater underlying the Premises; (ii) limits the use of the Premises to non-residential uses; (iii) restricts access to soil underlying the Premises; or (iv) any other environmental land use restriction.

- J. Notwithstanding the foregoing, in no event shall Lessee be held responsible for any pre-existing environmental conditions such as previously contaminated soil or groundwater or any other contamination caused by the City or former owners of the Premises or by adjacent properties. Lessee shall not be held responsible for hazardous substances used, generated, stored, or disposed of by the City or such former owners, and the City assumes all risks associated with the City's or such former owners' use of hazardous substances.
- K. The City agrees to hold harmless and indemnify Lessee with respect to any environmental condition at or on the Premises existing prior to this Agreement, including but not limited to, contaminated soil or groundwater quality standards that exceed risk levels appropriate for industrial or commercial use under Missouri's Risk Based Corrective Action program (10 CSR 25.18.010) established pursuant to RSMO 260.370, whether or not such environmental condition was caused by the City or former owner(s) of the Premises.

ARTICLE VIII  
INSURANCE, DAMAGE AND INDEMNIFICATION

SECTION 801. LIABILITY INSURANCE. Each Party shall obtain (at its sole expense and maintain at all times during the Term of this Agreement or extensions thereof) liability insurance against the risk of all claims and demands by third persons for bodily injury (including wrongful death) and property damage arising or alleged to arise out of each Party's activities or the omissions of its officers, agents, employees, contractors, subcontractors, licensees, independent contractors, and invitees pursuant to this Agreement under the following types of coverage:

- A. Commercial General Liability Insurance in an amount not less than Five Million Dollars (\$5,000,000.00) per occurrence/aggregate.
- B. Automobile Liability Insurance in an amount not less than Five Million Dollars (\$5,000,000.00) combined single limit per occurrence (for automobiles used by Parties in the course of its performance hereunder, including owned, non-owned and hired vehicles.
- C. Workers' Compensation and Employer's Liability Insurance in accordance with Missouri laws and regulations. With respect to Workers' Compensation Insurance, if Parties elect to be self-insured, Parties shall comply with the applicable requirements of law. Parties shall require that all their subcontractors or licensees similarly provide such coverage (or qualify as a self-insured) for their respective employees. It is expressly agreed that the employees of Lessee are not employees of the City for any purpose, and that employees of the City are not employees of Lessee.
- D. Contents Insurance. Lessee is solely responsible for obtaining insurance policies that provide coverage for losses of Lessee-owned property, Removable Fixtures, Improvements, existing equipment or subsequently-installed equipment within or on the

Premises. The City is not required to provide such insurance coverage or be responsible for payment of Lessee's cost for such insurance.

- E. Issuer of Policy. The issuer of each policy required herein must be a financially-sound insurance company authorized to issue insurance policies in the State of Missouri. Acceptable insurers include insurance companies with an "A.M. Best Company" rating of at least an "A-" rating, or other insurers or insurance syndicates of similarly-recognized responsibility.
- F. Form of Policies. The insurance may be in one or more policies of insurance.
- G. Non-waiver. Nothing the City does or fails to do relieves Lessee from its duties to provide the required coverage hereunder, and the City's actions or inactions are not to be construed as waiving the City's rights hereunder.
- H. Insured Parties. Each policy, by endorsement, except those for Workers' Compensation and Employer's Liability, must name the other Party, its officers, agents, and employees as "additional insured." Inclusion as an "additional insured" is not intended to and does not make the City a partner or joint venturer with Lessee in its operations.
- I. Subrogation. Each policy must contain an endorsement by which the issuer waives any claim or right in the nature of subrogation to recover against the other Party, its officers, agents, or employees. Each Party agrees to provide the other with a copy of said endorsement.
- J. Proof of Insurance. Within thirty (30) days of full execution of the Agreement and at any time during the Term hereof, each Party shall provide the other with certificates of insurance along with appropriate additional insured status and waiver of subrogation endorsements reflecting the insurance obligations hereunder. At least fifteen (15) days prior to the expiration of any such policy, a Party shall submit to the other a certificate, and all required endorsements, showing that such insurance coverage has been renewed. If such coverage is canceled or reduced, Parties shall, within fifteen (15) days after the date of such notice from the insurer of such cancellation or reduction in coverage, file with the other a certificate, and all required endorsements, showing that the required insurance has been reinstated or provided through another insurance company or companies.
- K. Self Insurance. Each Party may self-insure all or a substantial portion of the risks required by this Agreement. Self-insurance shall be deemed the equivalent of commercially-available insurance as otherwise required herein and shall in no way limit a Party's indemnity obligations or hinder the remedies or indemnities available to a Party under this Agreement. A party electing to self-insure must furnish to the other party a statement of self-insurance setting forth the risks insured against.

SECTION 802. LESSEE ACTIONS AFFECTING INSURANCE. Lessee shall not knowingly do or permit to be done anything, either by act or failure to act, that may cause the cancellation

or violation of the provisions, or any part thereof, of any policy of insurance for the Airport, or that may cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement.

**SECTION 803. INDEMNIFICATION.**

- A. Lessee shall defend, indemnify, and hold harmless St. Charles County, Missouri, St. Clair County, Illinois, St. Louis County, Missouri, the City, their respective officers, agents, and employees (the “**Indemnified Parties**”) from and against any and all loss, liability, penalties, damages of whatever nature, causes of action, suits, claims, demands, judgments, injunctive relief, awards, settlements, costs, and expenses, including payments of claims of liability resulting from any injury or death of any person or damage to or destruction of any property including all reasonable costs for investigation and defense thereof (including but not limited to reasonable attorneys’ fees, court costs and expert fees) of any nature, arising out of and in connection with this Agreement, or Lessee's use of its Premises or other areas or facilities at the Airport by Lessee, its agents, employees, contractors, or subcontractors, including, but not limited to:
1. the acts or omissions of Lessee, its agents, employees, contractors, or suppliers;
  2. Lessee's use or occupancy of the Premises; and
  3. any violation by Lessee under this Agreement of its use of its Premises or any provision, warranty, covenant, or condition of this Agreement.

Lessee shall, at its own cost and expense, defend all such claims, demands, and suits, whether frivolous or not.

- B. Lessee shall defend, indemnify, pay, and hold harmless the Indemnified Parties from and against all applicable taxes and assessments for which the City may become liable and which by law may be levied or assessed on the Premises, or which arise out of the operations of Lessee or by reason of Lessee's occupancy of its Premises except for any taxes or assessments based on the gross or net income or gross or net receipts of the City that are not allocable to Lessee-related receipts. However, Lessee may, at its own risk, cost, and expense, and at no cost to the City, contest, by appropriate judicial or administrative proceedings, the applicability or the legal or constitutional validity of any such tax or assessment, and the City will, to the extent permitted by law, execute such documents as are necessary to permit Lessee to contest or appeal the same. Lessee is responsible for obtaining bills for all of said taxes and assessments directly from the taxing authority and shall promptly deliver to the City, upon request by the City, copies of receipts of payment. If the City receives any tax billings falling within the scope of Lessee, Lessee shall, at its own cost and expense, defend all such claims, demands, and suits, whether frivolous or not.
- C. Lessee shall defend, indemnify, and hold harmless the Indemnified Parties from and against any claim, suit, demand, action, liability, loss, damage, judgment, or fine, and all

costs and expenses of whatever kind or nature associated therewith in any way arising from or based in whole or substantial part upon claim or allegation of a violation of any federal, state, or local laws, statutes, resolutions, regulations, ordinance, or court order affecting the Airport, by Lessee, its agents, employees, contractors, or suppliers, in conjunction with Lessee's use or occupancy of the Premises. Lessee will, at its own cost and expense, defend all such claims, demands, and suits, whether frivolous or not. Lessee shall include the substance of this Subsection (C) in every sublease, contract or other permit which Lessee may enter into related to its activities on the Premises, and any such sublease, contract or other permit must specifically provide that the City is a third-party beneficiary of this and related provisions. This provision does not constitute a waiver of any other condition of this Agreement prohibiting or limiting assignments, subletting, or subcontracting.

- D. Lessee shall defend, indemnify, and hold harmless the Indemnified Parties from and against any claim, suit, demand, action, liability, loss, damage, judgment, or fine, and all costs and expenses of whatever kind or nature arising from or based in whole or part upon the presence in, or the release into, the environment or the Airport of any Hazardous Materials to the extent caused by, or resulting from, the acts or omissions of Lessee or its agents, employees, contractors, invitees, licensees, or suppliers at the Airport whether resulting from negligent conduct or otherwise, but expressly excluding any such matters as described in Article VII, Section 701 (J) and (K).
- E. If a prohibited incursion into the air operations area occurs, or if the Aircraft Operations Area or sterile area security is breached, by or due to the negligence or willful act or omission of any of Lessee's employees, agents, contractors, or suppliers, and such incursion or breach results in a civil penalty action against the City, Lessee shall assume the defense of any such action and be responsible for any civil penalty or settlement amount required to be paid by the City as a result of such incursion or breach. The City shall notify Lessee of any allegation, investigation, or proposed or actual civil penalty sought for such incursion or breach. Civil penalties and settlement and associated expenses reimbursable under this Subsection include but are not limited to those paid or incurred as a result of violation of FAA or Transportation Security Administration ("TSA") regulations or security directives.
- F. Lessee's obligation to defend and indemnify past officers, employees, and agents of the City applies to such persons only for claims, suits, demands, actions, liability, loss, damages, judgments, or fines arising from events, occurrences, and circumstances during which said officers, employees, and agents held their office or position with the City.
- G. The City shall promptly notify Lessee of each claim, action, proceeding, or suit in respect to which indemnity may be sought by the City against Lessee hereunder, setting forth the particulars of such claim, action, proceeding or suit; shall furnish Lessee with a copy of all judicial filings and legal process and any correspondence received by the City related thereto; and shall tender the defense of same to Lessee.

- H. The duty to defend, indemnify, hold harmless, and reimburse applies to any claims, demands, or suits made against the City for which Lessee is responsible pursuant to this Section. Provided, however, that upon the filing by anyone of a claim with the City for damages arising out of incidents for which Lessee herein agrees to indemnify and hold the City harmless, the City shall promptly notify Lessee of such claim and, if Lessee does not settle or compromise such claim, then Lessee shall undertake the legal defense of such claim both on behalf of Lessee and on behalf of the City, at Lessee's expense; provided, however, that Lessee shall immediately notify City if a conflict between the interests of Lessee and City arises during the course of such representation. Lessee shall use counsel reasonably acceptable to the City Counselor of the City or his or her designee, after consultation with the Airport Director, in carrying out its obligations hereunder. The provisions of this Section survive the expiration or early termination of this Agreement. It is specifically agreed, however, that the City, at its option and at its own expense, may participate in the legal defense of any claim defended by Lessee in accordance with this Section. Any final judgment rendered against the City for any cause for which Lessee is liable hereunder is conclusive against Lessee as to the amount upon the expiration of the time for appeal therefrom. Nothing in this Article is deemed a change or modification in any manner whatsoever of the method or conditions of preserving, asserting, or enforcing any claim of legal liability against the City. This Section does not in any way waive any of the City's sovereign or other immunity.
- I. Lessee shall invite the City, at its own expense except as otherwise provided herein, to attend and participate in all meetings (including those related to settlement) and to appear and participate in all judicial proceedings and, to the extent of its interests, approve, in writing, the terms of any settlement related to any claim, action, proceeding, or suit set forth in this Section.
- J. Notwithstanding the provisions of this Section, Lessee has no obligation to defend, indemnify, or hold harmless the City for any consequential damages or for any amounts to be paid in connection with losses, liabilities, penalties, damages of whatever nature, causes of action, suits, claims, demands, injunctive relief, judgments, awards and settlements because and to the extent of the negligence or willful misconduct.
- K. In addition to its obligations under Article VII, Section 701 (K), City shall defend, indemnify, and hold harmless Lessee, its officers, agents, and employees (the "**Ameren Indemnified Parties**") from and against any and all loss, liability, penalties, damages of whatever nature, causes of action, suits, claims, demands, judgments, injunctive relief, awards, settlements, costs, and expenses, including payments of claims of liability, resulting from any injury or death of any person or damage to or destruction of any property including all reasonable costs for investigation and defense thereof (including but not limited to reasonable attorneys' fees, court costs and expert fees) of any nature, arising out of and in connection with a breach of this Agreement, the negligent acts or omissions of the City, its agents, employees, or contractors, or the violation of a statute or law as defined in Section 508 (B). Notwithstanding the foregoing, in the event it is ever judicially determined that the City's indemnity obligation under this Agreement is

unenforceable, the City shall remain contractually liable to the Ameren Indemnified Parties for the reimbursement of amounts incurred in defense of any third-party claim.

- L. This Section survives the expiration or early termination of this Agreement. Lessee understands and agrees that any insurance protection furnished by Lessee pursuant to Section 801 in no way limits Lessee's responsibility to indemnify and hold harmless the City under the provisions of this Agreement.

SECTION 804. CITY NOT LIABLE. Unless otherwise expressly provided for in this Agreement, the City is not in any event liable to Lessee for:

- A. any acts or omissions of Lessee, its officers, directors, employees, agents, contractors, or suppliers, for any conditions resulting from the operations or activities of Lessee's directors, officers, employees, agents, contractors, or suppliers;
- B. Lessee's failure to perform any of the obligations hereunder or for any delay in the performance thereof; or
- C. bodily injury or any loss or damage to real or personal property or business income occasioned by flood, fire, smoke, earthquake, lightning, windstorm, hail, explosion, riot, strike, civil commotion, vandalism, malicious mischief, acts of war, or acts of terrorism, or for any injury, loss, or damage not caused by the negligence, willful misconduct, or bad faith of the City.

#### ARTICLE IX ASSIGNMENT AND SUBLETTING

SECTION 901. LESSEE ASSIGNMENTS. Lessee is not permitted to assign, transfer, convey, sell, mortgage, pledge, or encumber (hereinafter collectively referred to as "**Assignment**") or sublet its Premises without the advance approval of the City, which is to be given by Notice to Lessee, and approval shall not be unreasonably withheld. No Assignment of this Agreement or sublet of the Premises is effective without advance approval of the City. If Lessee fails to obtain advance approval from the City of any such Assignment or sublet, the City, in addition to the rights and remedies set forth in Article XII and by law, has the right, in its sole discretion, to hold Lessee responsible for continued performance of its obligations throughout the Term, or to immediately terminate this Agreement without the assignee or sublessee acquiring any interest herein or any rights to use the Premises.

SECTION 902. CITY APPROVAL OF ASSIGNMENTS. No Assignment of this Agreement is effective without advance approval of the City, which may approve, condition, or deny such Assignment pursuant to Ordinance 63687.

SECTION 903. CITY APPROVAL OF SUBLEASES. No sublease of Lessee's Premises is effective without advance approval by the Director, which shall not be unreasonably withheld. Such approval is to be given to Lessee by Notice, and will take into consideration the best

interest of the traveling public and the operations of the Airport. All subleases are subordinate to this Agreement.

SECTION 904. METHOD OF OBTAINING APPROVAL OF SUBLEASES. When requesting approval of a sublease under Sections 902 and 903, Lessee must include with its request a copy of the proposed agreement, if prepared, or a detailed summary of the material terms and conditions to be contained in such agreement. Any proposed agreement or detailed summary thereof must provide information required by the City, including the following:

- A. the Premises to be sublet;
- B. the terms;
- C. the rents and fees to be charged; and
- D. any other material term and condition of the sublease.

If approved, Lessee shall submit a fully-executed copy of such agreement to the City within thirty (30) days after the commencement of the sublease.

SECTION 905. LESSEE TO REMAIN LIABLE. Lessee remains fully and primarily liable throughout the Term of this Agreement for the payment of all of the Rents and fees due and payable to the City for the Premises that are subject to a sublease, and remains fully responsible for the performance of all the other obligations hereunder, unless otherwise agreed to in writing by the City.

#### ARTICLE X TERMINATION OF AGREEMENT IN ITS ENTIRETY

SECTION 1001. RIGHTS CUMULATIVE. Except as otherwise expressly provided for in this Agreement, it is understood and agreed to that the rights and remedies of the City and Lessee specified in this Agreement are not intended to be, and are not exclusive of one another or exclusive of any common law or right of either of the parties hereto.

SECTION 1002. EVENTS OF DEFAULT. Each of the following constitutes an “**Event of Default**” under this Agreement:

- A. Lessee fails to punctually pay when due any Rental Payment or any other sums required to be paid hereunder, and such failure continues for a period of thirty (30) days after Notice of non-payment has been given to Lessee by the City.
- B. Lessee is in material breach of this Agreement for a period of thirty (30) days after Notice specifying such failure by the City; provided, however, that any such failure which can be cured, but which cannot with due diligence be cured within such thirty (30) day period, will not give rise to the City's right to terminate this Agreement if corrective action is

instituted by Lessee within such thirty (30) day period and diligently pursued until the failure is corrected.

- C. City is in material breach of this Agreement for a period of thirty (30) days after Notice specifying such failure by the Lessee; provided, however, that any such failure which can be cured, but which cannot with due diligence be cured within such thirty (30) day period, will not give rise to the Lessee's right to terminate this Agreement if corrective action is instituted by City within such thirty (30) day period and diligently pursued until the failure is corrected.
- D. Any representation or warranty of a material fact made by either Party herein proves untrue in any material respect as of the date of issuance or making thereof, and such materiality is then continuing.
- E. Lessee discontinues its conduct of business at the Premises for a period of ninety (90) consecutive days or, after exhausting or abandoning any further appeals, Lessee is prevented for a period of ninety (90) consecutive days by action of any governmental agency or regulatory body other than the City from conducting its business at the Premises.
- F. Lessee fails to maintain the minimum required insurance coverage as required by Section 801 for a period of thirty (30) days after Notice specifying such failure by the City, provided that the City has the right to immediately suspend Lessee's right to operate at the Airport until Lessee has obtained the minimum required insurance coverage.
- G. Lessee becomes insolvent (as such term is defined under Section 101 of the Federal Bankruptcy Code, 11 U.S.C. § 101 *et seq.* (the "**Bankruptcy Code**"), or any successor statute thereto); or fails to pay its debts generally as they mature; or takes the benefit of any present or future federal or state insolvency statute; or makes a general assignment for the benefit of creditors.
- H. Lessee files a voluntary petition in bankruptcy or a petition or answer seeking an arrangement of its indebtedness under the Bankruptcy Code, or under any other law or statute of the United States or of any state thereof, or under any law or statute of another country; or consents to the appointment of a receiver, trustee, custodian, liquidator, or other similar official, of all or substantially all of its property; or an order for relief is entered by or against Lessee under any chapter of the Bankruptcy Code.
- I. Lessee is adjudged a debtor or bankrupt or an order is made approving a petition filed by any of Lessee's creditors or stockholders seeking Lessee's liquidation or reorganization under the Bankruptcy Code or under any other law or statute of the United States or any state thereof, and such order or decree is not stayed or vacated within sixty (60) days of its issuance.
- J. A petition under any chapter of the Bankruptcy Code or an action under any federal or state insolvency law or statute, or an action under any insolvency law or statute of

another country is filed against Lessee and is not dismissed or stayed within sixty (60) days after the filing thereof.

- K. By or pursuant to, or under authority of any legislative act, resolution, or rule, or any order or decree of any court or governmental board, agency or officer, a receiver, trustee, custodian, liquidator, or other similar official, takes possession or control of all or substantially all of the property of Lessee and such possession or control continues in effect for a period of sixty (60) days.
- L. Lessee becomes a corporation in dissolution.
- M. The letting, license, or other interest of or rights of Lessee hereunder is transferred to, passed to, or devolved upon, by operation of law or otherwise, any other person, firm, corporation, or other entity, by, in connection with, or as a result of any bankruptcy, insolvency, trusteeship, liquidation, or other proceedings or occurrence described in Subsections (F) through (K) of this Section.
- N. Lessee enters into an Assignment or sublease which is not approved by the City in accordance with the provisions of Article IX, and, if a sublease, it is not terminated within ten (10) days after Notice from the City.

SECTION 1003. TERMINATION. Whenever an Event of Default has occurred, either party may, at its option, immediately and without further notification of such Event of Default:

1. Terminate this Agreement but without discharging the breaching Party's obligations hereunder; and
2. Exercise any and all of the rights provided to it at law or in equity.

SECTION 1004. TERMINATION WITHOUT CAUSE BY LESSEE. At any time that Lessee is neither in default nor has committed an Event of Default hereunder, Lessee may terminate this Agreement to the extent set forth below, at Lessee's option, prior to the scheduled expiration date set forth in Section 301, by giving the City ninety (90) days' advance Notice.

SECTION 1005. PROCEDURE FOR TERMINATION WITH CAUSE. No termination declared by either Party will be effective unless and until not less than thirty (30) days have elapsed after notice by either Party to the other specifying the date upon which such termination will take effect, and the cause for which this Agreement is being terminated and no such termination will be effective if such Event of Default is cured within said thirty (30) day period, or if by its nature cannot be cured within such thirty (30) day period, and if the Party at default commences to diligently correct such default within said thirty (30) days and corrects the same as promptly as is reasonably practicable. In the event that suit is instituted by the City upon the default of payment of rents, charges and fees as provided herein, then Lessee agrees also to pay reasonable attorneys' fees, court costs, and expenses.

ARTICLE XI  
SURRENDER OF PREMISES

SECTION 1101. SURRENDER OF PREMISES.

- A. Surrender of Premises. Upon expiration of the Term of this Agreement, or earlier termination resulting either by or as hereinafter provided, or on reassignment or reallocation of the Premises as provided herein, Lessee shall:
1. peaceably surrender possession of the Premises and other space made available to Lessee hereunder in clean, sanitary, and good condition, excepting only reasonable wear and tear (taking into account repair and maintenance required to be done by Lessee), acts of God, fire, and other casualties, that existed prior to Lessee's occupancy or use of said Premises under this Agreement.
  2. Return the Premises to the City in a condition such that Hazardous Materials which were placed, stored, used, generated, treated, released, discharged, disposed, or spilled on, under, or about the Premises by Lessee, its officers, directors, employees, agents, contractors, or suppliers are remediated and removed in accordance with Section 701 (C). If the City is required under applicable Environmental Laws to undertake actions to bring the Premises into compliance with this provision, or any applicable Environmental Laws or Environmental Permits as a result of Lessee's failure to timely correct same in accordance with Section 701 (C), Lessee shall reimburse the City for any Remediation Costs incurred by the City, as provided for in Section 701 (C).
  3. The City is not required to notify Lessee to quit possession at the expiration date of the Term of this Agreement.
- B. Removal of Personal Property. Lessee may at any time remove the Solar Facilities.
- C. Removal Damages. Lessee shall repair any damage to the Premises to the extent caused by the removal of its Solar Facilities. Removal is at Lessee's expense. Notwithstanding the above, consideration will be given to the intended long-term use of the Premises and if the City determines that such Premises would not be maintained for a period warranting the repairs indicated above, the City may alter or waive the repair requirement of this Subsection.
- D. Ownership of Fixtures and Personal Property Not Removed. If, after sixty (60) days following any of the actions or remedies authorized by Section 1101(A) or the expiration of this Agreement, Lessee has failed to commence activities toward removal of its Solar Facilities from the Premises, such Solar Facilities may be deemed abandoned by the City. - B. Neither the City nor Lessee is under obligation to supply any service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefore is prohibited or rationed by any law, ordinance, rule, regulation, requirement, order, or directive of any federal, state, county or municipal government having jurisdiction.

SECTION 1205. SUCCESSORS AND ASSIGNS. The terms, conditions, and covenants of this Agreement inure to the benefit of, and are binding upon, the parties hereto and upon their permitted successors, assigns, and sublessees, if any. This provision does not constitute a waiver of any conditions regarding Assignment or subletting contained in this Agreement.

SECTION 1206. QUIET ENJOYMENT. Upon payment of all undisputed amounts due hereunder and performance of the covenants and agreements on the part of Lessee to be performed hereunder, the City shall not act or fail to act, except as otherwise provided by this Agreement, in a manner that will prevent Lessee from peaceably having and, in accordance with the terms hereof, enjoying the Premises.

SECTION 1207. SUBORDINATION TO AGREEMENTS WITH THE UNITED STATES.

- A. This Agreement will be subordinated to the provisions of any existing or future agreement between the City and the United States Government or governmental authority, relating to the operation or maintenance of the Airport, the execution of which has been or will be required as a condition precedent to the granting of federal funds or the approval to impose or use PFCs for the improvement or development of the Airport, provided that in no event will such changes substantially impair the rights of the Lessee hereunder. Lessee shall not cause the City to violate any assurances made by the City to the United States Government in connection with the granting of such federal funds or the approval of such PFCs.

- B. All provisions of this Agreement will be subordinate to the rights of the United States of America to operate all of the Airport or any part thereof during time of war or national emergency. Such rights will supersede any provisions of this Agreement inconsistent with the operation of the Airport by the United States of America.

SECTION 1208. GOVERNING LAW AND FORUM SELECTION. This Agreement is made and entered into in the State of Missouri, and Missouri law governs and applies to this Agreement. Any cause of action, claim, suit, demand, or other case or controversy arising from or related to this Agreement must be brought only in a federal or state court in the City of St. Louis, Missouri. Lessee and the City hereby admit and consent to the jurisdiction and venue of such courts. The provisions of this section survive the expiration or termination of this Agreement.

SECTION 1209. REQUIRED APPROVALS.

No disapproval is valid if such disapproval constitutes an anti-competitive act as described by a federal agency having jurisdiction over such matters.
- B. Unless otherwise required by state or local law, wherever in this Agreement the approval, authorization, consent, certification, determination, waiver, or any other action of the City is required, it may be performed by the Airport Director, unless otherwise provided herein. In taking such actions, the Airport Director shall act reasonably, and take into consideration the best interest of the traveling public and the operations of the Airport.
- C. In all instances in this Agreement where consent or approval of one Party is required for an action by the other Party, such consent must be in writing unless otherwise agreed to by the Parties.

SECTION 1210. NO WAIVERS. No provision of this Agreement is deemed to have been waived by either Party unless such waiver is in writing, signed by the Party making the waiver and addressed to the other Party, nor will any custom or practice that may evolve between the Parties in the administration of the terms of this Agreement be construed to waive or lessen the right of either Party to insist upon the performance of the other Party in strict accordance with the terms of this Agreement.

SECTION 1211. INVALID PROVISIONS. If any covenant, condition, or provision in this Agreement is held to be invalid, illegal, or unenforceable by any court of competent jurisdiction, or conclusively determined to be inconsistent with federal law or FAA grant assurances, such covenant, condition, or provision will be deemed amended to conform to applicable laws so as to be valid or enforceable or, if it cannot be so amended without materially altering the intention of the parties, it will be stricken. If stricken, all other covenants, conditions, and provisions of this Agreement will remain in full force and effect provided that the striking of such covenants, conditions, or provisions does not materially prejudice either the City or Lessee in its respective

rights and obligations contained in the valid covenants, conditions, or provisions of this Agreement.

SECTION 1212. ENTIRE AGREEMENT. This Agreement, including the attached exhibits, embodies the entire Agreement between the City and Lessee relating to the subject matter hereof, and supersedes all prior agreements and understandings, written or oral, express or implied, between the City and Lessee relating thereto.

Lessee shall, as a condition of the Agreement, include in all service contracts pertaining to the Premises, language specifying the minimum prevailing wages to be paid and fringe benefits to be provided by the service contractor to employees of said service contractor. This Section is in accordance with and is subject to the City of St. Louis Ordinance No. 62124.

SECTION 1215. AMERICANS WITH DISABILITIES ACT (“ADA”). Lessee is responsible for compliance with the Federal ADA, and other federal, state, or local laws or regulations and the City Ordinances pertaining to the disabled individual having access to Lessee’s services.

SECTION 1216. TIME IS OF THE ESSENCE. The Parties expressly agree that time is of the essence in this Agreement. Failure by a Party to complete performance within the time specified, or within a reasonable time if no time is specified herein, relieves the other Party, without liability, of any obligation to accept such performance.

SECTION 1217. ACKNOWLEDGMENT OF TERMS AND CONDITIONS. The Parties hereto acknowledge that they have thoroughly read this Agreement, including any exhibits or attachments hereto, and have sought and received whatever competent advice and counsel was necessary for them to form a full and complete understanding of all rights and obligations herein. The Parties further acknowledge that this Agreement is the result of negotiations between the Parties and will not be construed against the City by reason of the preparation of this Agreement by the City.

SECTION 1218. SURVIVAL OF WARRANTIES. All warranties and covenants set forth in this Agreement survive the execution and performance of this Agreement.

City and Lessee shall, after the execution of this Agreement, reasonably and in good faith finalize and attach all such exhibits to the Agreement, which may not have been in final form as of the date of the Agreement (see also Section 1212 titled “Entire Agreement”).

SECTION 1220. COUNTERPARTS. This Agreement may be executed in one or more counterparts. It will constitute sufficient proof of this Agreement to present any copy, electronic copies, or facsimiles signed by the Parties hereto.

SECTION 1221. HEADINGS. The headings of the Articles and Sections of this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any Provisions of this Agreement and shall not be construed to affect in any manner the Provisions hereof or the interpretation or construction thereof.

SECTION 1222. AMENDMENTS. Unless otherwise expressly provided herein, this Agreement may not be changed, modified, or amended except by written amendment duly executed by the Parties hereto.

SECTION 1223. MODIFICATIONS FOR GRANTING FAA FUNDS. In the event that the FAA requires, as a condition precedent to granting of funds for the improvement of the Airport, modifications or changes to this Agreement, Lessee agrees to consent to such reasonable amendments, modifications, revisions, supplements, deletions of any of the Provisions of this Agreement, as may be reasonably required to enable the City to obtain said FAA funds, provided that in no event shall such changes substantially impair the rights of Lessee hereunder.
