STAFF REQUEST FOR ADDITIONAL TIME

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), through Staff Counsel's Office, and files its second request for additional time to January 5, 2018 to file a Stipulation and Agreement with Kansas City Power & Light Company ("KCP&L"). In support of that request the Staff states as follows:

1. As the Staff reported in its December 1, 2017, Staff Request For Additional Time, the Staff and KCP&L have agreed to work on a Stipulation and Agreement to resolve pending matters in File No. EO-2018-0062. The Staff and KCP&L have been diligently working on language, and are nearing completion of a resolution of all matters, but need additional time to verify that this is actually the case and provide time for review and consideration by the Office of the Public Counsel.¹ Therefore, the Staff is requesting until Friday, January 5, 2018 to file a Stipulation and Agreement. If a Stipulation and Agreement can be filed at an earlier date than January 5, 2018, the Staff will endeavor to do so.

2. The Staff does not request this additional time to unduly delay these proceedings or inconvenience the Commission. Counsel for KCP&L has authorized counsel for Staff to indicate that KCP&L concurs in the Staff's request for additional time.

¹ As noted in the Staff's immediately prior filing, matters are further complicated by instances of limited availability of personnel this week.

WHEREFORE the Staff submits this request for additional time until January 5, 2018, to file a Stipulation and Agreement with KCP&L respecting its Application for Approval of the Accrual and Funding of Wolf Creek Generating Station Decommissioning Costs at Current Levels.

Respectfully submitted,

/s/ Steven Dottheim
