Dear Sir

This is in reference to the iss  
of Big Island Roach, Mo. sewer syste  
even though H.C. Hooding has  
signed the document and sent it  
in on May 15<sup>th</sup> does not mean  
that we have a sewer hook up  
in accordance with the Big Island  
sewer association.

There is no hook up available  
for Lots 65, 1 and 2 which is the  
original assigned numbers, however  
to our knowledge do not know if  
they are being refered to as such.  
We sent our money in to get a  
hook up and have yet to see it.  
I believe we are intitled to it  
as others.
