ORDER OF RULEMAKING

COPY

By the authority vested in the Public Service Commission under section 386.410, RSMo 2016, the commission withdraws a proposed rescission of a rule as follows:

**4 CSR 240-36.050 Commission Approval of Agreements Reached by
Arbitration proposed rescission is withdrawn.**

A notice of proposed rulemaking containing the proposed rule rescission was published in the *Missouri Register* on May 15, 2018 (43 MoReg 1007-1008). This proposed rescission is withdrawn.

SUMMARY OF COMMENTS: The public comment period ended July 2, 2018, and the commission held a public hearing on the proposed rule on July 10, 2018. The commission received timely written comments from the staff of the commission, the Missouri Telecommunications Industry Association (MTIA), and from Windstream Missouri, LLC. Whitney Payne, representing the commission's staff, and Natelle Dietrich, on behalf of staff; Richard Telthorst, on behalf of MTIA; Leo Bub, representing AT&T Missouri; and Brian McCartney, representing the Missouri Small Telephone Company Group, appeared at the hearing and offered comments.

COMMENT #1: Staff explained the Alternative Dispute Resolution Procedural Rules Governing Filings Made Pursuant to the Telecommunications Act of 1996 establish procedures to be used if a telecommunications carrier asks the commission to mediate or arbitrate an interconnection dispute with another carrier. Staff suggested the rules are unnecessary because they have not been used for several years. Representatives of the Local Exchange Carriers that would use the procedures established in the rules offered comments strongly disagreeing with staff's view of the importance of the rules. They explained these rules do not impose any regulatory burden on anyone. Rather, they establish procedures that would be very helpful if the commission is again asked to mediate or arbitrate an interconnection dispute. They urge the commission not to rescind the rules.

RESPONSE: The commission agrees the Alternative Dispute Resolution Procedural Rules Governing Filings Made Pursuant to the Telecommunications
