Re: Case no. GC-2007-0162

Tony Walker v. Missouri Gas Energy

I am writing you requesting an Order setting prehearing Conference and directing filing of procedural schedule.

Due to my moving from 1434 E. 44th Terr., K.C., Mo 64110 in October 2006, My mail has not been properly forwarded. (I just received this notice January 08, 2007.

In the mean time I've tried unsuccessfully to resolve this matter with Missouri Gas Energy to no avail.

MGE had requested that I send

280.00 and 180.00 for the next (11) eleven months. I do not owe them \$2000.00 and I intend to prove that fact.

MGE has yet to recognize or admit that United Services has paid enough funds to cover all my costs, plus.

Please consider my motion, and assist me in resolving this matter as timely as possible.
