ORDER GRANTING MOTION FOR EXTENSION OF TIME TO FILE
STIPULATION OF FACTS NOT IN DISPUTE

Issue Date: March 5, 2007

Effective Date: March 5, 2007

On March 1, 2007,¹ the Commission reset the prehearing conference in this matter to March 15. In that same order, the Commission directed the parties to jointly file a stipulation as to all material facts not in dispute no later than March 14.

On March 2, the Staff of the Missouri Public Service Commission filed a motion requesting an extension of time for filing the stipulation. Staff asserts that after having discussed this matter with counsels for both Complainant and Respondent that the parties agree that the prehearing conference would provide the most appropriate time to discuss the stipulation and explore possibilities for settlement.

Staff requests, on behalf of all parties, that the Commission reset the deadline for filing the stipulation to March 22. The Commission finds the parties' request to be reasonable, and will grant it.

¹ All dates throughout this order refer to the year 2007 unless otherwise noted.

IT IS ORDERED THAT:

1. The Motion for Extension of Time to File Stipulation of Facts not in Dispute, filed by the Staff of the Missouri Public Service on behalf of all the parties in this matter, is granted.
2. No later than March 22, 2007, the parties shall jointly file a stipulation as to all material facts not in dispute in this matter. Should there remain any material facts in dispute, the parties shall file with the Commission, in separate individual pleadings, a list of those facts, and the parties' positions on those facts.
3. This order shall become effective on March 5, 2007.
