**Wet Spot Aug. 18, 2001**

**BP Schedule 9**

## **Leak at Stoyers Home**

**Reported to Camden County Sewer and Water Dept on April 23, 2001**

**This leak was still leaching out of the ground on August 18, 2001.  
The leak was found in July at the filter bed and had drained down to  
the  
Big Island Drive then to property of Stoyers , then into lake.**
