

Staff of the Missouri Public Service Commission,
Complainant,
v.
Missouri Pipeline Company, LLC,
Missouri Gas Company, LLC,
Respondents.

4. In support of this motion, counsel states that the parties have been extensively engaged in depositions and discovery issues and have not had the chance to discuss the Issues List with all the parties. Counsel has discussed a preliminary Issues List with Mr. DeFord but as of today's date, we are not confident that the Staff and the Respondents can agree upon an Issues

List without devoting additional time to that effort. In order to further explore the possibility of an Agreed Issues List, additional time is requested.

Wherefore, the Staff by Counsel requests that the Procedural Schedule be modified so the Issues List and Order of Cross-Examination is due on November 30, 2006.

Respectfully submitted,

/s/ Steven C. Reed
