ORDER DIRECTING FILING OF ADDITIONAL STATUS REPORT

Issue Date: June 18, 2007

Effective Date: June 18, 2007

By order dated May 14, 2007, the Commission granted Laclede Gas Company's request to provide a monthly status report on the progress and results of a natural gas usage investigation involving complainant Stanley Lewis. In relevant part, that order stated: "Laclede Gas Company shall file a status report on its gas usage investigation at Stanley Lewis' home by no later than June 14, 2007, at which time further monthly status reports may be ordered." On June 14, 2007, Laclede filed a status report as directed. In addition to other helpful information, the report indicates that Laclede has replaced the meter at Mr. Lewis' home and is in the process of testing it.¹ Therefore, Laclede requests that it be permitted to file another monthly status report in July.

¹ Laclede is reminded that pursuant to 4 CSR 240-10.030(20), Mr. Lewis shall be notified of the time and place of the test so that he may be present to witness it should he desire.

Laclede's request is reasonable, and will be granted.

IT IS ORDERED THAT:

1. Laclede Gas Company shall file a status report on the results of its tests on the gas meter removed from Stanley Lewis' home by no later than July 18, 2007, at which time further monthly status reports may be ordered.
2. This order shall become effective on June 18, 2007.
