

BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

REFERENCE CASE NO. GC-2007-0311

To the commission,

I Norman Harrold request a continuance of the prehearing conference, due to my conflicting work schedule, and an out-of-town prescheduled family reunion. I work a rotating shift and workday schedule. My next available off-days are September 7 & 8. I will be on the day-shift schedule the week of September 9 thru 15. I can attempt to schedule a day off this week if deemed necessary by the commission.

A handwritten signature in black ink, appearing to read 'Norman Harrold', is written over the typed name.
