November 18, 2011

Dear Water Customer:

Enclosed please find your new rate chart. We ask that you put this new chart with your billing supply packet. The new rate chart is for water used after NOVEMBER 1, 2011 and needs to be used to calculate your DECEMBER 1, 2011 payment.

Please throw the old rate chart away.

Please remember to read your meter at the beginning of each month in order to calculate your water usage since the last reading and include this information on the blue envelope where indicated. Please also inform us of any changes in your mailing address or phone number.

You may mail your payments or you may use the drop box available at 120 East Third Street in Maryville.

Thank you for your help with this. If you have any questions, please call 660-582-5011 and we will be happy to assist you.

Sincerely,

Richard J. Schieber
Clerk
