

Ameren Missouri
Response to Noranda Data Request
MPSC Case No. EC-2014-0223

**Noranda Aluminum, Inc. et al., Complainants, v. Union Electric Company, d/b/a
Ameren Missouri, Respondent.**

Data Request No.: Noranda 8

Please identify on an annual basis each and every expense or cost that was included in the determination of Ameren Missouri's current rates, and for each such expense or cost, please state whether and by how much each such expense or cost has increased or decreased on an annual basis, since the amount was reported to the Commission for inclusion in the determination of the current rates.

RESPONSE

Prepared By: Laura Moore
Title: Regulatory Accounting Manager
Date: May 9, 2014

Subject to the Company's objection, Noranda is in possession of all information needed to answer this question.
