Good morning,

This message is in regard to the Commission's order for parties to jointly file a proposed procedural schedule no later than April 22, 2022, in case EC-2022-0148. I emailed Ms. Swopshire but have not heard back from her. In the meantime, I thought I would check in with the remaining parties. After communicating with Staff (pending Ms. Swopshire's availability), I thought I would propose a hearing date for the second week in June. Would this create any problems for Ameren?

Thank you,

Don Cosper

Don, after checking with our team members we are not available during the second week of June. Could we possibly make it the third week of June? Thanks. EKB

Mr. Casper,

I still have to review the orders and documents from last week. I have been very busy the past week but I will read thru it tonight and let you know after I've read everything you've sent.

Thanks,

Keelee Swopshire, Esq.

Mr. Casper,

Are there any other options besides June 23 or 24th? I have prior engagements on those days.

Hello Ms. Swopshire,

Yes, this is your case and your hearing, so you definitely have the right to fit it to your schedule. Please note that Mr. Banks has already indicated that Ameren is not available the second week of June. The third week of June, other than the 23rd and 24th have already been booked. Does the final week of June suit you (27th to the 30th)? Please feel free to suggest a date. Also, you have the option of having an in-person hearing, attend it over the phone, or web-based. If you choose the latter two options, those of us located in Jefferson City will conduct the hearing from the hearing room within the Public Service Commission while you join remotely. Otherwise, if you select an in-person forum, the hearing can be done either in Jefferson City or in St. Louis (I believe at the Wainwright Building).

If you don't mind, I'm going to respond to your other message on that email chain so that the topics remain independent.

Thank you,

Don Cospers

Mr. Cospers,

How does June 29, 2022 sound? Mr. Banks, does that fit with your schedule? The annual reporting period deadline is around that time for CLE requirements so I know a lot of attorneys will be finishing up their requirements then. I would be attending remotely via the Web.

Hello Ms. Swopshire,

That date looks good, but I won't have confirmation from Staff until next Monday.
