ORDER GRANTING LEAVE TO FILE CORRECTED TESTIMONY

Issue Date: January 30, 2007

Effective Date: January 30, 2007

On January 29, 2007, the Staff of the Commission, in compliance with the established procedural schedule, submitted portions of the deposition testimony of Jim Johnson. The next day, January 30, Staff submitted a corrected version of Johnson's deposition testimony. The motion that accompanied the corrected submission explained that Staff had inadvertently omitted certain pages of the deposition and was now including those pages in the corrected filing. Since the corrected testimony was filed one day after the deadline established for filing supplemental rebuttal testimony, Staff requests leave to file the corrected testimony a day late.

It is not clear that Staff needs the Commission's leave to file a corrected version of its otherwise timely filed testimony. But if such leave is needed, it is granted.

IT IS ORDERED THAT:

1. The Commission's Staff is granted leave to file its corrected submission of Jim Johnson Deposition Testimony.
2. This order shall become effective on January 30, 2007.
