ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: May 2, 2006

Effective Date: May 2, 2006

On March 31, 2006, the Staff of the Public Service Commission filed a complaint against Missouri Pipeline Company, LLC; Missouri Gas Company, LLC; Omega Pipeline Company, LLC; Mogas Energy, LLC; United Pipeline Systems, Inc.; and Gateway Pipeline Company, LLC. On April 19, 2006, the Secretary of Defense, on behalf of the consumer interest of the United States Department of Defense and other affected Federal Executive Agencies (DOD/FEA), filed a timely application to intervene. More than ten days have passed since DOD/FEA applied to intervene and no party has objected to the application to intervene.

The Commission finds that DOD/FEA has an interest that is different than that of the general public and that its interest may be adversely affected by a final order arising from

this case. Furthermore, the Commission finds that allowing DOD/FEA to intervene will serve the public interest. Therefore, in accordance with 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

IT IS ORDERED THAT:

1. The Petition for Leave to Intervene filed by the Secretary of Defense, on behalf of the consumer interest of the United States Department of Defense and other affected Federal Executive Agencies, is granted.
2. This order shall become effective on May 2, 2006.
