Empire District Electric Company d/b/a Liberty also filed certain tariffs related to Case ET-2020-0390, but have been associated with this docket under the tariff tracking designation of YE-2022-0254. These tariff sheets related to implementation of the transportation electrification programs, and have an effective date of October 15, 2022, to allow the Company to prepare certain internal systems. Staff and the Company are currently working through those tariffs, with some minor changes likely to occur. Staff will prepare and file a recommendation on those tariff sheets once any potential changes and substitutions have been worked out.
