NOTICE OF AMENDED CERTIFICATE OF SERVICE

Comes now Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "the Company") and notes that in its filing in this case on June 14, 2019, it submitted an *Application, Request for Waiver, and Motion for Expedited Treatment* ("Application") accompanied by a Certificate of Service indicating that service of the application was served upon, among others, Cuivre River Electric Cooperative, Inc. ("CREC"). Unfortunately, the actual mailing to CREC was missed. To rectify the situation, Ameren Missouri provided overnight service of the application to CREC, on June 18, 2019, so they will receive a public copy of the *Application* on June 19, 2019. The Company regrets the error, and submits the Amended Certificate of Service, included as Attachment A to this pleading, to reflect the actual service of the *Application*.

Respectfully submitted,
