Dear Mr. Cox,

Becky Doyle has forwarded to Doug Lasley, our President and Senior Loan Officer, and me your information about acquiring I. H. Utilities. Indian Hills has always been an important part of the economic base of the Cuba area, and my family and I lived out there in the late seventies. We are very interested in being part of your project and Mr. Lasley will be back to you tomorrow with some initial questions. Again thank you for the opportunity.

Thanks for talking with me this morning. There are three of us that would like to meet with you. Here's a couple open dates for all three;

Monday August 3, any time after 11. If possible we could have lunch.

Tuesday August 4, sometime between 2 & 3 PM

Wednesday August 5, any time between 8 & 9:30 or anytime between 11 AM and 2:30 PM. Again we would be available for lunch.

If those aren't convenient for you, we could schedule later in the week but one of our party would be with us by phone since he will be out of town.

Let me know how this works for you. We look forward to meeting you.
