APPLICATION AND REQUEST FOR WAIVER

COMES NOW Rex Deffenderfer Enterprises, Inc. d/b/a RDE Water Company (“RDE”), and, pursuant to Section 393.190, RSMo., and Commission Rules 4 CSR 240-2.060, 4 CSR 240-3.310, and 4 CSR 240-3.605, states the following to the Missouri Public Service Commission (“Commission”):

BACKGROUND INFORMATION

1. RDE is a Missouri certificated water corporation as defined by Section 386.020(59), RSMo. It holds a certificate of service authority to provide water service to an unincorporated area of Christian County, Missouri, which the Commission issued to RDE on May 11, 1977, in File No. WA-77-83.
2. RDE Water Company is the registered fictitious name of Rex Deffenderfer Enterprises, Inc., which is a Missouri Corporation in good standing.
3. RDE is a public utility as that term is defined in Section 386.020(32), RSMo. As such, RDE is subject to the jurisdiction, regulation, supervision, and control of the Commission insofar as it provides water service to the public in the State of Missouri. RDE has no pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates. RDE has no assessment fees which are overdue.

4. The City of Nixa, Missouri (“Nixa”) is a Constitutional Charter City organized and existing under the laws of Missouri and has its principal office at 715 W. Mt. Vernon, Nixa, MO. It owns, operates and maintains municipal electric, water, sewer and trash pick-up services.

5. Communications in regard to this Application should be addressed to the undersigned counsel.

6. Pursuant to the CCN issued in File No. WA-77-83, RDE provides water service to approximately 1,232 residential customers, 66 commercial customers through 1,138 service connections in Christian County, Missouri.

THE TRANSACTION

7. RDE and Nixa have entered into an Agreement for Sale of Water System (“Agreement”), a copy of which is marked **Appendix A**,¹ and attached hereto. Pursuant to the Agreement, Nixa agrees to obtain and acquire certain water facilities of RDE as specifically described in the Agreement under the terms and provisions further described in the Agreement.

8. After the proposed sale, RDE would no longer own or operate water facilities and would cease to be a “public utility” regulated by the Commission. Accordingly, RDE requests that it be authorized to cease providing water service and that the Commission cancel its Certificate and tariff.

9. Because RDE is a water corporation doing business in the State of Missouri, it is subject to the provisions of §393.190.1, RSMo, which states, in pertinent part, that “no . . . water corporation or sewer corporation shall hereafter sell, assign, lease, transfer, mortgage or otherwise dispose of or encumber the whole or any part of its franchise, works or system,

¹ Appendix A contains both the Sales Agreement and the Nixa City Ordinance approving the purchase of RDE.

necessary or useful in the performance of its duties to the public . . . without having first secured from the Commission an order authorizing it so to do.”

ADDITIONAL INFORMATION

10. The Nixa City Council approved an ordinance on February 28, 2022, approving the Agreement and authorizing its Mayor to sign the Agreement on behalf of Nixa. See **Appendix A** attached hereto.

11. It is unclear what impact the sale of assets may have on the tax revenues of relevant political subdivisions.

PUBLIC INTEREST

12. The proposed sale of the specified assets of RDE and the related transactions are not detrimental to the public interest of the State of Missouri. The water system will be acquired by Nixa, a municipal corporation and experienced operator of water systems.

REQUEST FOR WAIVER

13. Pursuant to Commission Rule 4 CSR 240-4.017 (1)(D), Applicant requests that the Commission waive for good cause application of the 60-day notice requirement under Commission Rule 4 CSR 240-4.017. In this regard, no representative of Applicant has had any communication with the Commission within the immediately preceding 150 days regarding the subject matter of this Application. Additionally, sixty days prior to the filing, the parties did not have a fully executed agreement. Further, it would serve no purpose to wait sixty days before filing the Application for Commission approval.

WHEREFORE, RDE respectfully requests that the Commission issue its order:

(A) Authorizing RDE to sell the assets identified herein;

(B) Authorizing RDE to perform in accordance with the terms described in the Agreement that is attached to this Application and to take any and all other actions which may be reasonably necessary and incidental to the performance of the sale;

(C) Authorizing RDE to cease providing water service;

(D) Cancelling RDE's Certificate, and cancelling RDE's water tariff immediately after closing on the sale of its assets;

(E) Granting such other relief as may be deemed necessary and appropriate to accomplish the purposes of the Agreement and the Application and to consummate related transactions in accordance with the Agreement; and

(F) Waiving the requirement of the pre-filing notice specified in Commission rule 4 CSR 240-4.017(1)(D).

Respectfully submitted,

postponed until such time, if necessary. If Seller elects not to, or cannot, correct such defects, then the Parties may negotiate, but if agreement cannot be obtained, Buyer, at Buyer's option, may waive such defects and proceed to close or may cancel the contract and all obligations hereunder shall be null and void.

Section 2.03 PURCHASE PRICE.

- A. On the Closing Date, Buyer shall pay to Seller, or cause to be paid to Seller Two Million, Five Hundred Thousand (\$2,500,000.00) Dollars for the purchase of the Assets (the "Purchase Price"). Section 2.04 CLOSING.

- B. At the Closing, Seller shall have delivered to Buyer such General Warranty Deeds, Bill of Sale, endorsements, assignments and other sufficient instruments of transfer and conveyance as shall be effective to vest in Buyer such title to the Assets to be sold as provided in this Agreement, and Buyer will deliver to Seller the Purchase Price.
- C. From time to time, at Buyer's request and expense, whether at or after the Closing and without further consideration, Seller shall execute and deliver such other instruments of conveyance and transfer and take such other action as Buyer may reasonably require to more effectively convey and transfer to Buyer any of the Assets to be sold hereunder and will assist Buyer in the collection or reduction of such instruments so as to facilitate Buyer's possession of such Assets.
- D. At Closing, Buyer will pay all title premiums, sales, transfer, and documentary taxes, if any, payable in connection with the sale, transfers, and deliveries to be made to Buyer hereunder.

- E. On the date of Closing, Buyer shall accept and assume ownership and title to the Assets to be conveyed hereunder and Buyer shall assume liability, and become responsible, for all obligations in connection with the Assets going forward.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES

Section 3.01 **SELLER'S REPRESENTATIONS AND WARRANTIES.** The Seller represents and warrants as follows:

- A. **ORGANIZATION AND STANDING OF SELLER.** Seller is a limited liability company organized, existing under the constitution and laws of the State of Missouri and registered to do business in the State of Missouri, and in good standing with the Missouri Secretary of State.
- B. **ABSENCE OF CERTAIN CHANGES.** After Buyer's inspection and acceptance of the Assets, there shall not be:
1. Any material changes in the use of the Assets in connection with the business or operations of the System.
 2. Any damage, destruction, or loss whether or not covered by insurance, materially and adversely affecting the Assets.
- C. **TITLE TO PROPERTIES.**
1. Unless Seller has disclosed any information in writing to the Buyer to the contrary, Seller owns the Assets to be sold under this Agreement, in all cases, free and clear of all liens, mortgages, pledges, leases, options, rights of first refusal, conditional sales agreements, encumbrances or other charges, except liens for taxes not yet due or payable, easements or right of ways, streets, railways, pipelines, electric transmission and distribution lines, telephone lines, drainage rights and other similar rights or restrictions of record which do not, either individually or in the aggregate have a materially adverse effect on the value or utility of the Assets to be sold hereunder.
 2. Buyer shall have until twenty (20) days prior to the Closing to determine:
 - a) if Seller lacks an easement or other interest necessary for operation of the System or
 - b) an easement is defective in title or interest conveyed. If it appears that Seller lacks a valid easement for any portion of the System,

or any easement identified suffers from a defect in title or interest conveyed, Buyer at its option and in its sole discretion may: a) cancel this Agreement, b) independently negotiate with the owner of the affected property toward acquisition of the pipelines or easements; c) notify Seller that Buyer will cancel the Agreement unless a necessary easement is acquired or a defect satisfactorily cured or remedied; and d) undertake any action, which in Buyer's sole and absolute discretion, would correct an easement or remedy the situation caused by a lack of an easement or proper land interest. Buyer's failure to cancel this Agreement, however, shall not relieve Seller from any of its duties of indemnification set forth in subsequent paragraphs herein, nor shall such failure be construed as Buyer's waiver of any such provisions.

3. Seller will provide a general Bill of Sale for all personal property of the Water System, **Exhibit "F"**, wherever located.

D. AUTHORITY TO OPERATE. The Assets, as described at Article 1 of this Agreement, constitute all of the Assets presently owned by the Seller pertaining to the System. To the best of Seller's knowledge, the System is being conducted, and as of the date of Closing, will be conducted in full compliance with requirements of all regulatory bodies exercising jurisdiction with regard to rates and conditions of service, and with local building and zoning codes.

E. LITIGATION.

1. There is no litigation or proceeding pending, or to the knowledge of Seller threatened, against or relating to Seller, the Assets, or the System, nor does Seller know, or have reasonable grounds to know, of any basis for any such action, or of any governmental investigation relative to Seller, the Assets, or the System.
2. There are no outstanding judicial orders or judgments to which Seller is subject or by which Seller or the System or any Assets are bound.
3. No petition or notice has been presented, no order has been made for the bankruptcy, liquidation, winding-up or dissolution of Seller. No receiver, trustee, custodian, or similar fiduciary has been appointed over the whole or any part of Seller, the Assets, or the income of Seller. The Seller does not have any plan or intention of filing, making, or obtaining any such petition, notice, order, or resolution or of seeking the appointment of a receiver, trustee, custodian or similar fiduciary.

- F. **INSURANCE.** On the date of this Agreement, Seller, its business and properties, are insured. Seller has provided Buyer accurate and complete copies of the insurance policies, or the binders related to such policies. Seller has not failed to give, in a timely manner, any material notice required under any of the insurance policies to preserve its rights thereunder with respect to the Transferred Real Property and all other material assets of the System.
- G. **NO VIOLATION OR BREACH.** The performance of this Agreement by Seller, including any preconditions or surviving warranties or representations, is not in violation of any laws, statutes, local ordinances, state or federal regulations, court orders or administrative order or rule, nor is such performance in violation of any loan documents, conditions, or restrictions in effect for financing, whether secured or unsecured.
- H. **AS IS CONDITION.** Buyer is relying solely upon Buyer's inspection as to the condition of the Assets. Except as set forth below, Seller is not making, has not made, and expressly disclaims any representations or warranties, express or implied, with respect to any aspect, feature or condition of the Assets, including without limitation, the existence of hazardous waste, the suitability of the Assets for Buyer's intended use or any representation or warrant, express or implied, as to the personal property, including without limitation, any warranty of merchantability or fitness for a particular purpose.
- I. **BROKERS.** Seller has no liability or obligation to pay fees or commissions to any broker, finder, or agent with respect to the purchase for which Buyer could become liable or obligated.

Section 3.02 **BUYER'S REPRESENTATIONS AND WARRANTIES.** Buyer represents and warrants as follows:

- A. **ORGANIZATION AND STANDING OF BUYER.** Buyer is a political subdivision and a constitutional charter city organized and existing under the constitution and laws of the State of Missouri and has the requisite power to purchase the Assets which are to be sold pursuant to the terms of this Agreement.
- B. **AUTHORITY.** The execution and delivery of this Agreement by Buyer and the purchase of the Assets as contemplated hereby have been duly authorized by Buyer, and all necessary action on the part of Buyer has been taken to authorize the execution and delivery of this Agreement and to consummate the sale contemplated hereby.
- C. **LITIGATION.**

1. There are no claims pending or, to Buyer's knowledge, threatened in writing, or any investigations ongoing or, to Buyer's knowledge, threatened in writing against Buyer before any Governmental Authority or any arbitrator that would have an adverse effect on Buyer's ability to perform its obligations hereunder.
 2. Buyer is not subject to any judgment, decree, injunction, rule or order of any Governmental Authority or any arbitrator that prohibits the consummation of the purchase or that would adversely affect Buyer's ability to perform its obligations hereunder.
- D. **BROKERS.** Buyer has no liability or obligation to pay fees or commissions to any broker, finder or agent with respect to the purchase for which Seller could become liable or obligated.
- E. **LIABILITIES.** All liabilities or obligations of Seller, whether accrued, absolute, contingent, or otherwise pertaining to or arising out from the Assets are liabilities and obligations of the Seller and shall become the obligations of Buyer after the date of Closing.
- F. **RELEASE.** After the Closing, Buyer, to the fullest extent permitted by applicable law, hereby releases and forever discharges Seller from any and all claims, demands, proceedings, causes of action, orders, judgments, obligations, contracts, agreements, and liabilities whatsoever, both at law and in equity ("Claims"), which may hereafter arise as a result of or on account of, any of the easements conveyed herein being without legal description and not being recorded. For avoidance of doubt, Buyer accepts any liabilities or obligations that may arise from or are related to the any of the conveyed easements lacking legal descriptions or not being recorded with the Recorder of Deeds.

**ARTICLE 4

Section 4.01 **CONDITIONS TO THE OBLIGATIONS OF EACH PARTY.** The obligations of the Parties to proceed with the Closing are subject to the satisfaction prior to the Closing Date of all of the following conditions, any one or more of which may be waived in writing, in whole or in part, as to a Party by such Party.

- A. No permanent judgment, injunction, order or decree of a court or other Governmental Authority of competent jurisdiction shall be in effect which has the effect of making the purchase illegal or otherwise restraining or prohibiting

1. The Public Service Commission ("PSC") and the Missouri Department of Natural Resources ("DNR") shall have, if necessary, authorized or approved the sale, transfer or disposition of the Assets to Buyer from Seller, the proposed financing, and any schedule of compliance for proposed utility improvement projects for regulatory compliance deemed necessary by Buyer, each in form and substance (including without limitation with respect to the terms and conditions contained in such approval) acceptable to Buyer in Buyer's sole and absolute discretion.

2. For purposes of this Agreement, this period from the date this Agreement is fully executed by both Parties to the date that is twenty (20) days prior to the Closing, shall be referred to herein as the "Inspection Period."
 3. During the Inspection Period, Buyer, its employees, agents and contractors, shall have the right to enter onto any property owned by Seller that is related to the operation of the System, as it deems necessary or desirable, on reasonable prior notice to Seller to perform and complete architectural, environmental, engineering and/or other surveys, studies, inspections and tests on the Assets to review zoning laws and applicable building codes; to obtain all necessary city, county, and state zoning approval, site plan or subdivision approvals, licenses and permits to authorize the uses of the Assets as intended by Buyer.
- E. **NO CASUALTY.** The Assets shall not have been adversely affected in any material way as a result of any strike, lockout, accident or other casualty or act of God or the public enemy, or any judicial, administrative, or governmental proceedings.
- F. **FINANCING.** Buyer shall have obtained financing on terms acceptable to Buyer, in its sole and absolute judgment, to enable it to pay the Purchase Price.
- G. **BUYER'S RIGHT TO TERMINATE.** If Buyer determines, in its sole and absolute discretion, that any of the aforementioned conditions have not been met, Buyer shall have the right to terminate this Agreement at any time prior to Closing upon written notice to Seller.
